B BRAUN
SHARING EXPERTISE

IT IS NICE TO HAVE OPTIONS

FROM FAMILIAR DESIGNS TO LATEST INNOVATION

B. Braun offers a variety of needleless connector devices to meet the unique needs of patients.

These include:

- CARESITE® with positive displacement
- InVision-Plus® Clear with neutral displacement
- Nexus TKO®-6P with anti-reflux technology
- InVision-Plus® CS with antimicrobial technology

Our extensive portfolio is designed to reduce complications and improve outcomes and efficiencies.
